### STAT2 Rabbit Polyclonal Antibody(F244-1) RBT-RA20188

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | STAT2 Rabbit Polyclonal Antibody(F244-1)                               |
| Biozol Catalog Number      | RBT-RA20188                                                            |
| Supplier Catalog Number    | RA20188                                                                |
| Alternative Catalog Number | RBT-RA20188-50,RBT-RA20188-100                                         |
| Manufacturer               | Reed Biotech                                                           |
| Category                   | Antikörper                                                             |
| Application                | IHC, WB                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                      |
| Clonality                  | Polyclonal                                                             |
| Molecular Weight           | Molecular Weight: 98KD. Protein MW (KDa): 98KD                         |
| NCBI                       | <a href="#">6773</a>                                                   |
| UniProt                    | <a href="#">P52630</a>                                                 |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol. |
| Source                     | Rabbit                                                                 |
| Target                     | Antibody can detect endogenous STAT2 proteins.                         |
| Application Dilute         | WB 1:1,000-2,000 IHC 1:100-200                                         |
