## Product Datasheet

### **Recombinant Steroid Sulfatase Isozyme S (STS), E. coli** **MBS2029599-0.05**

|                            |                                                                   |
|----------------------------|-------------------------------------------------------------------|
| Article Name               | Recombinant Steroid Sulfatase Isozyme S (STS), E. coli            |
| Biozol Catalog Number      | MBS2029599-0.05                                                   |
| Supplier Catalog Number    | MBS2029599-0.05                                                   |
| Alternative Catalog Number | MBS2029599-0.05                                                   |
| Manufacturer               | MyBiosource                                                       |
| Host                       | E. coli                                                           |
| Category                   | Proteine/Peptide                                                  |
| Concentration              | Original Concentration: 200ug/mL                                  |
| Purity                     | > 95%                                                             |
| Form                       | 20mM Tris, 150mM NaCl, pH8.0, containing 0.01% SKL, 5% Trehalose. |
