| Alternative Catalog Number | NBS-ABB-Q2W1DM-100                                                                                                                                                                     |
| Manufacturer               | Nordic BioSite                                                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                                                 |
| Category                   | Antikörper                                                                                                                                                                             |
| Application                | IHC, WB                                                                                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                      |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human BMP15, which shares 70% and 66.7% amino acid (aa) sequence identity with mouse and rat BMP15, respectively. |
| Conjugation                | Unconjugated                                                                                                                                                                           |
| Product Description        | Anti-BMP15 Antibody . Tested in WB applications. This antibody reacts with Human....                                                                                                   |
| Clonality                  | Polyclonal                                                                                                                                                                             |
| Concentration              | 500 ug/ml                                                                                                                                                                              |
| Molecular Weight           | 45 kDa                                                                                                                                                                                 |
| NCBI                       | <a href="#">9210</a>                                                                                                                                                                   |

|               |                                                                                                                  |
|---------------|------------------------------------------------------------------------------------------------------------------|
| UniProt       | <a href="#">O95972</a>                                                                                           |
| Buffer        | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> . |
| Form          | Lyophilized                                                                                                      |
| Target        | BMP15                                                                                                            |
| Antibody Type | Primary Antibody                                                                                                 |
