## Product Datasheet

### Rab11A, Rabbit, Polyclonal NBS-ABB-ZY7DYD-100

|                            |                                                                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Rab11A, Rabbit, Polyclonal                                                                                                           |
| Biozol Catalog Number      | NBS-ABB-ZY7DYD-100                                                                                                                   |
| Supplier Catalog Number    | ABB-ZY7DYD-100                                                                                                                       |
| Alternative Catalog Number | NBS-ABB-ZY7DYD-100                                                                                                                   |
| Manufacturer               | Nordic BioSite                                                                                                                       |
| Host                       | Rabbit                                                                                                                               |
| Category                   | Antikörper                                                                                                                           |
| Application                | FC, ICC, IF, WB                                                                                                                      |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                    |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human Rab11A, identical to the related mouse and rat sequences. |
| Product Description        | Anti-Rab11A Antibody . Tested in WB applications. This antibody reacts with Human, Mouse, Rat....                                    |
| Clonality                  | Polyclonal                                                                                                                           |
| Concentration              | 500 ug/ml                                                                                                                            |
| Molecular Weight           | 24 kDa                                                                                                                               |
| Sensitivity                | >5000 cells                                                                                                                          |
| NCBI                       | <a href="#">8766</a>                                                                                                                 |
| UniProt                    | <a href="#">P62491</a>                                                                                                               |
