| Article Name               | Human APP/Protease Nexin II Recombinant Protein                                                                                            |
| Biozol Catalog Number      | NBS-RBB-OTM9PH-500                                                                                                                         |
| Supplier Catalog Number    | RBB-OTM9PH-500                                                                                                                             |
| Alternative Catalog Number | NBS-RBB-OTM9PH-500                                                                                                                         |
| Manufacturer               | Nordic BioSite                                                                                                                             |
| Category                   | Proteine/Peptide                                                                                                                           |
| Application                | SDS-PAGE                                                                                                                                   |
| Product Description        | Human APP/Protease Nexin II Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 18-289aa. Application(s): SDS-PAGE.... |
| Concentration              | 1 mg/ml                                                                                                                                    |
| Molecular Weight           | 34.7 kDa (308aa) confirmed by MALDI-TOF (Molecular weight on SDS-PAGE will appear higher)                                                  |
| Tag                        | HIS Tag                                                                                                                                    |
| NCBI                       | <a href="#">351</a>                                                                                                                        |
| UniProt                    | <a href="#">P05067</a>                                                                                                                     |
| Purity                     | >85%                                                                                                                                       |
| Target                     | APP                                                                                                                                        |
