| Category                   | Proteine/Peptide                                                                                                                                                                                             |
| Application                | SDS-PAGE                                                                                                                                                                                                     |
| Product Description        | Human IL-29/IFN-lambda 1 Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 20-200aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                    |
| Molecular Weight           | 20.8 kDa (187aa)                                                                                                                                                                                             |
| Tag                        | HIS Tag                                                                                                                                                                                                      |
