| Category                   | Proteine/Peptide                                                                                                            |
| Application                | SDS-PAGE                                                                                                                    |
| Product Description        | Human STI1 Recombinant Protein expressed in E. coli with His-tag.<br>Sequence domain: 1-543aa. Application(s): SDS-PAGE.... |
| Concentration              | 1 mg/ml                                                                                                                     |
| Molecular Weight           | 64.8 kDa (563aa)                                                                                                            |
| Tag                        | HIS Tag                                                                                                                     |
| NCBI                       | <a href="#">10963</a>                                                                                                       |
| UniProt                    | <a href="#">P31948</a>                                                                                                      |
