| Category                   | Proteine/Peptide                                                                                                                       |
| Application                | SDS-PAGE                                                                                                                               |
| Product Description        | Mouse Cyclophilin A/Ppia Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 1-164aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.5 mg/ml                                                                                                                              |
| Molecular Weight           | 20.4 kDa (187aa) confirmed by MALDI-TOF                                                                                                |
| Tag                        | HIS Tag                                                                                                                                |
| NCBI                       | <a href="#">268373</a>                                                                                                                 |
| UniProt                    | <a href="#">P17742</a>                                                                                                                 |
| Purity                     | >95%                                                                                                                                   |
| Target                     | Ppia                                                                                                                                   |
