| Category                   | Proteine/Peptide                                                                                                                    |
| Application                | SDS-PAGE                                                                                                                            |
| Product Description        | Human IGSF4A/SynCAM1 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 45-374aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.25 mg/ml                                                                                                                          |
| Molecular Weight           | 39.4 kDa (353aa) confirmed by MALDI-TOF                                                                                             |
| Tag                        | HIS Tag                                                                                                                             |
| NCBI                       | <a href="#">23705</a>                                                                                                               |
| UniProt                    | <a href="#">Q9BY67</a>                                                                                                              |
| Purity                     | >85%                                                                                                                                |
