| Manufacturer               | Nordic BioSite                                                                                                              |
| Category                   | Proteine/Peptide                                                                                                            |
| Application                | SDS-PAGE                                                                                                                    |
| Product Description        | Human NAT1 Recombinant Protein expressed in E. coli with His-tag.<br>Sequence domain: 1-290aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.5 mg/ml                                                                                                                   |
| Molecular Weight           | 36.1 kDa (310aa) confirmed by MALDI-TOF                                                                                     |
| Tag                        | HIS Tag                                                                                                                     |
| NCBI                       | <a href="#">9</a>                                                                                                           |
| UniProt                    | <a href="#">P18440</a>                                                                                                      |
| Purity                     | >85%                                                                                                                        |
| Target                     | NAT1                                                                                                                        |
