| Category                   | Proteine/Peptide                                                                                                                                                   |
| Application                | SDS-PAGE                                                                                                                                                           |
| Product Description        | Human Glucuronosyltransferase 1A1/UGT1A1 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 26-490aa. Application(s): SDS-PAGE, Denatured.... |
| Concentration              | 1 mg/ml                                                                                                                                                            |
| Molecular Weight           | 54.7 kDa (488aa)                                                                                                                                                   |
| Tag                        | HIS Tag                                                                                                                                                            |
