| Product Description        | Human Granzyme H Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 19-246aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 0.25 mg/ml                                                                                                                                                                                           |
| Molecular Weight           | 26.2 kDa (234aa)                                                                                                                                                                                     |
| Tag                        | HIS Tag                                                                                                                                                                                              |
