| Category                   | Proteine/Peptide                                                                                                                                                                                                                          |
| Application                | FA, SDS-PAGE                                                                                                                                                                                                                              |
| Product Description        | Human Alkaline Phosphatase/ALPP/ALPI Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 23-506aa. Application(s): SDS-PAGE, Enzyme Activity. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                                                 |
| Molecular Weight           | 53.9 kDa (494aa)                                                                                                                                                                                                                          |
| Tag                        | HIS Tag                                                                                                                                                                                                                                   |
