| Category                   | Proteine/Peptide                                                                                                                                                                                  |
| Application                | SDS-PAGE                                                                                                                                                                                          |
| Product Description        | Human IL-21 R Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 20-232aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 1 mg/ml                                                                                                                                                                                           |
| Molecular Weight           | 25.6 kDa (221aa)                                                                                                                                                                                  |
| Tag                        | HIS Tag                                                                                                                                                                                           |
