| Category                   | Proteine/Peptide                                                                                                               |
| Application                | SDS-PAGE                                                                                                                       |
| Product Description        | Mouse Leptin/OB Recombinant Protein expressed in E. coli (non-tagged). Sequence domain: 22-167aa. Application(s): SDS-PAGE.... |
| Concentration              | 1 mg/ml                                                                                                                        |
| Molecular Weight           | 16 kDa (147aa) confirmed by MALDI-TOF                                                                                          |
| Tag                        | Untagged                                                                                                                       |
| NCBI                       | <a href="#">16846</a>                                                                                                          |
| UniProt                    | <a href="#">P41160</a>                                                                                                         |
| Purity                     | >95%                                                                                                                           |
| Target                     | Lep                                                                                                                            |
