| Application                | SDS-PAGE                                                                                                                                                                                           |
| Product Description        | Human GDF-5/BMP14 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 382-501aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                          |
| Molecular Weight           | 15.8 kDa (141aa) confirmed by MALDI-TOF                                                                                                                                                            |
| Tag                        | HIS Tag                                                                                                                                                                                            |
