| Manufacturer               | Nordic BioSite                                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                                          |
| Application                | FA, SDS-PAGE                                                                                                                              |
| Product Description        | Human SORD Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 1-357aa. Application(s): Enzyme Activity, SDS-PAGE.... |
| Concentration              | 0.5 mg/ml                                                                                                                                 |
| Molecular Weight           | 40.4 kDa (377aa) confirmed by MALDI-TOF                                                                                                   |
| Tag                        | HIS Tag                                                                                                                                   |
| NCBI                       | <a href="#">6652</a>                                                                                                                      |
| UniProt                    | <a href="#">Q00796</a>                                                                                                                    |
