| Category                   | Proteine/Peptide                                                                                                             |
| Application                | SDS-PAGE                                                                                                                     |
| Product Description        | Human G3BP2 Recombinant Protein expressed in E. coli with His-tag.<br>Sequence domain: 1-449aa. Application(s): SDS-PAGE.... |
| Concentration              | 1 mg/ml                                                                                                                      |
| Molecular Weight           | 53.3 kDa (473aa)                                                                                                             |
| Tag                        | HIS Tag                                                                                                                      |
| NCBI                       | <a href="#">9908</a>                                                                                                         |
| UniProt                    | <a href="#">Q9UN86</a>                                                                                                       |
| Purity                     | >90%                                                                                                                         |
| Target                     | G3BP2                                                                                                                        |
