## Product Datasheet

### Thymosin beta4 acetate, CAS [[77591-33-4]] AMO-M10091

|                            |                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------|
| Article Name               | Thymosin beta4 acetate, CAS [[77591-33-4]]                                        |
| Biozol Catalog Number      | AMO-M10091                                                                        |
| Supplier Catalog Number    | M10091                                                                            |
| Alternative Catalog Number | AMO-M10091-1MG,AMO-M10091-5MG                                                     |
| Manufacturer               | Abmole Bioscience                                                                 |
| Category                   | Biochemikalien                                                                    |
| Product Description        | Thymosin beta 4 is a potent regulator of actin polymerization in living cells.... |
| Molecular Weight           | 4963.44                                                                           |
| Purity                     | >98%                                                                              |
| CAS Number                 | [77591-33-4]                                                                      |
| Formula                    | C212H350N56O78S                                                                   |
| Target                     | Peptides                                                                          |
