## Product Datasheet

### Prochlorperazine dimaleate, CAS [[84-02-6]] AMO-M3165

|                            |                                                                     |
|----------------------------|---------------------------------------------------------------------|
| Article Name               | Prochlorperazine dimaleate, CAS [[84-02-6]]                         |
| Biozol Catalog Number      | AMO-M3165                                                           |
| Supplier Catalog Number    | M3165                                                               |
| Alternative Catalog Number | AMO-M3165-200MG                                                     |
| Manufacturer               | Abmole Bioscience                                                   |
| Category                   | Biochemikalien                                                      |
| Product Description        | Prochlorperazine dimaleate is a D2 dopamine receptor antagonist.... |
| Molecular Weight           | 606.09                                                              |
| Purity                     | >98%                                                                |
| CAS Number                 | [84-02-6]                                                           |
| Formula                    | C20H24ClN3S.C8H8O8                                                  |
| Target                     | Dopamine Receptor                                                   |
