| Biozol Catalog Number      | AMO-M54741                                                                                                          |
| Supplier Catalog Number    | M54741                                                                                                              |
| Alternative Catalog Number | AMO-M54741-1G                                                                                                       |
| Manufacturer               | Abmole Bioscience                                                                                                   |
| Category                   | Biochemikalien                                                                                                      |
| Product Description        | 3-Amino-2-piperidinone is a metabolite from all living organisms and can be used as a cyclic ornithine analogue.... |
| Molecular Weight           | 114.15                                                                                                              |
| Purity                     | >99.0%                                                                                                              |
| CAS Number                 | [1892-22-4]                                                                                                         |
| Formula                    | C5H10N2O                                                                                                            |
| Target                     | Metabolite/Endogenous Metabolite                                                                                    |
