## Product Datasheet

### **5-BDBD, CAS [[768404-03-1]] AMO-M6347**

|                            |                                                 |
|----------------------------|-------------------------------------------------|
| Article Name               | 5-BDBD, CAS [[768404-03-1]]                     |
| Biozol Catalog Number      | AMO-M6347                                       |
| Supplier Catalog Number    | M6347                                           |
| Alternative Catalog Number | AMO-M6347-10MG                                  |
| Manufacturer               | Abmole Bioscience                               |
| Category                   | Biochemikalien                                  |
| Product Description        | 5-BDBD is a potent P2X4 receptor antagonist.... |
| Molecular Weight           | 355.19                                          |
| Purity                     | >98.0%                                          |
| CAS Number                 | [768404-03-1]                                   |
| Formula                    | C17H11BrN2O2                                    |
| Target                     | P2 Receptor                                     |
