## Product Datasheet

### **AIM-100, CAS [[873305-35-2]] AMO-M6420**

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | AIM-100, CAS [[873305-35-2]]                                               |
| Biozol Catalog Number      | AMO-M6420                                                                  |
| Supplier Catalog Number    | M6420                                                                      |
| Alternative Catalog Number | AMO-M6420-5MG,AMO-M6420-10MG,AMO-M6420-50MG                                |
| Manufacturer               | Abmole Bioscience                                                          |
| Category                   | Biochemikalien                                                             |
| Product Description        | AIM-100 is a potent and selective Ack1 (TNK2) inhibitor (IC50 = 22 nM).... |
| Molecular Weight           | 371.43                                                                     |
| Purity                     | >99.0%                                                                     |
| CAS Number                 | [873305-35-2]                                                              |
| Formula                    | C23H21N3O2                                                                 |
| Target                     | Others                                                                     |
