## Product Datasheet

### Dobutamine hydrochloride, CAS [[49745-95-1]] AMO-M7743

|                            |                                                                 |
|----------------------------|-----------------------------------------------------------------|
| Article Name               | Dobutamine hydrochloride, CAS [[49745-95-1]]                    |
| Biozol Catalog Number      | AMO-M7743                                                       |
| Supplier Catalog Number    | M7743                                                           |
| Alternative Catalog Number | AMO-M7743-10MG, AMO-M7743-25MG, AMO-M7743-50MG, AMO-M7743-100MG |
| Manufacturer               | Abmole Bioscience                                               |
| Category                   | Biochemikalien                                                  |
| Product Description        | Dobutamine hydrochloride is a selective beta1-AR agonist....    |
| Molecular Weight           | 337.84                                                          |
| Purity                     | 100.0%                                                          |
| CAS Number                 | [49745-95-1]                                                    |
| Formula                    | C18H23NO3.HCl                                                   |
| Target                     | Adrenergic Receptor                                             |
