| Manufacturer               | Nordic BioSite                                                                                                                |
| Host                       | Rabbit                                                                                                                        |
| Category                   | Antikörper                                                                                                                    |
| Application                | ELISA, IHC, WB                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                             |
| Immunogen                  | A synthetic peptide corresponding to a sequence within amino acids 148-247 of human Mast Cell Chymase (CMA1) (CMA1) (P23946). |
| Conjugation                | Unconjugated                                                                                                                  |
| Product Description        | Anti-CMA1 antibody (148-247) [S1MR]...                                                                                        |
| Clonality                  | Monoclonal                                                                                                                    |
| Clone Designation          | [S1MR]                                                                                                                        |
| NCBI                       | <a href="#">1215</a>                                                                                                          |
| UniProt                    | <a href="#">P23946</a>                                                                                                        |
| Buffer                     | PBS with 0.02% sodium azide, 0.05% BSA, 50% glycerol, pH7.3.                                                                  |
| Target                     | CMA1                                                                                                                          |

|                    |                                                    |
|--------------------|----------------------------------------------------|
| Antibody Type      | Primary Antibody                                   |
| Application Dilute | ELISA 1 ug/ml, IHC-P 1:100-1:800, WB 1:1000-1:6000 |
