| Article Name               | SARS-CoV-2 ORF3a, Unconjugated, Goat, Polyclonal                                                                           |
| Biozol Catalog Number      | NBS-ASJ-UJ3SNG-300                                                                                                         |
| Supplier Catalog Number    | ASJ-UJ3SNG-300                                                                                                             |
| Alternative Catalog Number | NBS-ASJ-UJ3SNG-300                                                                                                         |
| Manufacturer               | Nordic BioSite                                                                                                             |
| Host                       | Goat                                                                                                                       |
| Category                   | Antikörper                                                                                                                 |
| Application                | WB                                                                                                                         |
| Species Reactivity         | Virus                                                                                                                      |
| Immunogen                  | Affinity purified fusion recombinant protein using the C-terminal of ORF3a (residues 160 to stop) and produced in E. coli. |
| Conjugation                | Unconjugated                                                                                                               |
| Product Description        | Anti-SARS-CoV-2 ORF3a antibody (160-stop)...                                                                               |
| Clonality                  | Polyclonal                                                                                                                 |
| Concentration              | 3 mg/ml                                                                                                                    |
| Target                     | SARS-CoV-2 ORF3a                                                                                                           |
| Antibody Type              | Primary Antibody                                                                                                           |
| Application Dilute         | WB 1:500-1:2000                                                                                                            |
