## Product Datasheet

### **FABP3/H-FABP, Clone: [AT9F10], Unconjugated, Mouse, Monoclonal NBS-AAT-CJO9VD-100**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | FABP3/H-FABP, Clone: [AT9F10], Unconjugated, Mouse, Monoclonal                       |
| Biozol Catalog Number      | NBS-AAT-CJO9VD-100                                                                   |
| Supplier Catalog Number    | AAT-CJO9VD-100                                                                       |
| Alternative Catalog Number | NBS-AAT-CJO9VD-100                                                                   |
| Manufacturer               | Nordic BioSite                                                                       |
| Host                       | Mouse                                                                                |
| Category                   | Antikörper                                                                           |
| Application                | ELISA, WB                                                                            |
| Species Reactivity         | Human                                                                                |
| Immunogen                  | Recombinant human FABP3 (1-133aa) purified from E. coli                              |
| Conjugation                | Unconjugated                                                                         |
| Product Description        | Human FABP3/H-FABP antibody...                                                       |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | 1 mg/ml                                                                              |
| Clone Designation          | [AT9F10]                                                                             |
| NCBI                       | <a href="#">2170</a>                                                                 |
| UniProt                    | <a href="#">P05413</a>                                                               |
| Buffer                     | Liquid. In Phosphate-Buffered Saline (pH 7.4) with 0.02% Sodium Azide, 10% Glycerol. |
