## Product Datasheet

### **SB-505124 hydrochloride, CAS [[356559-13-2]]** **APE-A3799**

|                            |                                                                      |
|----------------------------|----------------------------------------------------------------------|
| Article Name               | SB-505124 hydrochloride, CAS [[356559-13-2]]                         |
| Biozol Catalog Number      | APE-A3799                                                            |
| Supplier Catalog Number    | A3799                                                                |
| Alternative Catalog Number | APE-A3799-10MM                                                       |
| Manufacturer               | ApexBio                                                              |
| Category                   | Biochemikalien                                                       |
| Product Description        | ALK5/ALK4/ALK7 inhibitor in TGF-beta/activin signalling,selective... |
| Molecular Weight           | 371.86                                                               |
| Purity                     | 0.98                                                                 |
| Sequence                   | <chem>CC(C)(C)c1nc(-c(cc2)cc3c2OCO3)c(-c2nc(C)ccc2)[nH]1.Cl</chem>   |
| CAS Number                 | [356559-13-2]                                                        |
| Formula                    | C20H22ClN3O2                                                         |
