## Product Datasheet

### Tipifarnib (Zarnestra), CAS [[192185-72-1]] APE-A4227

|                            |                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------|
| Article Name               | Tipifarnib (Zarnestra), CAS [[192185-72-1]]                                         |
| Biozol Catalog Number      | APE-A4227                                                                           |
| Supplier Catalog Number    | A4227                                                                               |
| Alternative Catalog Number | APE-A4227-10MM                                                                      |
| Manufacturer               | ApexBio                                                                             |
| Category                   | Biochemikalien                                                                      |
| Product Description        | Farnesyltransferase inhibitor,potent and specific...                                |
| Molecular Weight           | 489.4                                                                               |
| Purity                     | 0.9905                                                                              |
| Sequence                   | <chem>C[n]1c([C](c(cc2)ccc2Cl)(c(cc2)cc(C(c3cccc(Cl)c3)=C3)c2N(C)C3=O)N)cnc1</chem> |
| CAS Number                 | [192185-72-1]                                                                       |
| Formula                    | C27H22Cl2N4O                                                                        |
