## Product Datasheet

### Z-FY-CHO, CAS [[167498-29-5]] APE-A9078

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | Z-FY-CHO, CAS [[167498-29-5]]                                             |
| Biozol Catalog Number      | APE-A9078                                                                 |
| Supplier Catalog Number    | A9078                                                                     |
| Alternative Catalog Number | APE-A9078-1MG                                                             |
| Manufacturer               | ApexBio                                                                   |
| Category                   | Biochemikalien                                                            |
| Product Description        | Z-FY-CHO is a potent and specific cathepsin L inhibitor....               |
| Molecular Weight           | 446.5                                                                     |
| Purity                     | 0.9919                                                                    |
| Sequence                   | <chem>Oc1ccc(C[C H](C=O)NC([C H](Cc2ccccc2)NC(OCc2ccccc2)=O)=O)cc1</chem> |
| CAS Number                 | [167498-29-5]                                                             |
| Formula                    | C26H26N2O5                                                                |
