## Product Datasheet

### H 89 2HCl, CAS [[130964-39-5]] APE-B2190

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | H 89 2HCl, CAS [[130964-39-5]]                                           |
| Biozol Catalog Number      | APE-B2190                                                                |
| Supplier Catalog Number    | B2190                                                                    |
| Alternative Catalog Number | APE-B2190-10MM,APE-B2190-10MG,APE-B2190-50MG,APE-B2190-200MG             |
| Manufacturer               | ApexBio                                                                  |
| Category                   | Biochemikalien                                                           |
| Product Description        | Potent PKA inhibitor...                                                  |
| Molecular Weight           | 519.28                                                                   |
| Purity                     | 0.9985                                                                   |
| Sequence                   | <chem>O=S(C1=CC=CC2=C1C=CN=C2)(NCCNC/C=C/C3=CC=C(Br)C=C3)=O.Cl.Cl</chem> |
| CAS Number                 | [130964-39-5]                                                            |
| Formula                    | C20H20BrN3O2S2HCl                                                        |
