| Manufacturer               | ApexBio                                                                                          |
| Category                   | Biochemikalien                                                                                   |
| Product Description        | M4284 is a selective, orally active biphenylmannoside antagonist....                             |
| Molecular Weight           | 460.48                                                                                           |
| Purity                     | 0.9684                                                                                           |
| Sequence                   | <chem>O[C H]1[C H](O)[C H](O)[C H](CO)O[C H]1OC2=CC=C(C3=CC(C(NC)=O)=CC(C(NC)=O)=C3)C=C2C</chem> |
| CAS Number                 | [1373346-85-0]                                                                                   |
| Formula                    | C23H28N2O8                                                                                       |
