## Product Datasheet

### **HyperScribe(TM) All in One mRNA Synthesis Kit Plus 1 (ARCA, 5mCTP, psiUTP, T7, poly(A)) APE-K1064**

|                            |                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------|
| Article Name               | HyperScribe(TM) All in One mRNA Synthesis Kit Plus 1 (ARCA, 5mCTP, psiUTP, T7, poly(A))             |
| Biozol Catalog Number      | APE-K1064                                                                                           |
| Supplier Catalog Number    | K1064                                                                                               |
| Alternative Catalog Number | APE-K1064-25REACTIONS,APE-K1064-25RXNS                                                              |
| Manufacturer               | ApexBio                                                                                             |
| Category                   | Kits/Assays                                                                                         |
| Product Description        | Used for the in vitro synthesis of mRNA (ARCA capped, 5mCTP and psiUTP modified, poly(A) tailed)... |
