| Article Name               | Recombinant Human Interferon-alpha2b, Ecoli.                                                                             |
| Biozol Catalog Number      | APE-P1300                                                                                                                |
| Supplier Catalog Number    | P1300                                                                                                                    |
| Alternative Catalog Number | APE-P1300-100UG,APE-P1300-500UG                                                                                          |
| Manufacturer               | ApexBio                                                                                                                  |
| Category                   | Proteine/Peptide                                                                                                         |
| Molecular Weight           | Approximately 19.4 kDa, a single non-glycosylated polypeptide chain containing 166 amino acids.                          |
| Purity                     | > 96 % by SDS-PAGE and HPLC analyses.Endotoxin: Less than 1 EU/µg of rHuIFN-alpha2b, Ecoli. as determined by LAL method. |
