## Product Datasheet

### **Recombinant Murine Growth Differentiation Factor 7/Bone Morphogenetic Protein-12 APE-P1408**

|                            |                                                                                                                     |
|----------------------------|---------------------------------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Murine Growth Differentiation Factor 7/Bone Morphogenetic Protein-12                                    |
| Biozol Catalog Number      | APE-P1408                                                                                                           |
| Supplier Catalog Number    | P1408                                                                                                               |
| Alternative Catalog Number | APE-P1408-10UG,APE-P1408-100UG,APE-P1408-500UG                                                                      |
| Manufacturer               | ApexBio                                                                                                             |
| Category                   | Proteine/Peptide                                                                                                    |
| Molecular Weight           | Approximately 29.8 kDa, a homodimeric protein consisting of two 146 amino acid non-glycosylated polypeptide chains. |
| Purity                     | > 95 % by SDS-PAGE and HPLC analyses.Endotoxin: Less than 0.1 EU/µg of rMuGDF-7/BMP-12 as determined by LAL method. |
