| Article Name               | Recombinant Human Eotaxin/CCL11                                                                                    |
| Biozol Catalog Number      | APE-P1464                                                                                                          |
| Supplier Catalog Number    | P1464                                                                                                              |
| Alternative Catalog Number | APE-P1464-5UG,APE-P1464-100UG,APE-P1464-500UG                                                                      |
| Manufacturer               | ApexBio                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                   |
| Molecular Weight           | Approximately 8.4 kDa, a single non-glycosylated polypeptide chain containing 74 amino acids.                      |
| Purity                     | > 97 % by SDS-PAGE and HPLC analyses.Endotoxin: Less than 1 EU/µg of rHuEotaxin/CCL11 as determined by LAL method. |
