| Article Name               | Recombinant Human Thymus Expressed Chemokine/CCL25                                                              |
| Biozol Catalog Number      | APE-P1474                                                                                                       |
| Supplier Catalog Number    | P1474                                                                                                           |
| Alternative Catalog Number | APE-P1474-5UG,APE-P1474-100UG,APE-P1474-500UG                                                                   |
| Manufacturer               | ApexBio                                                                                                         |
| Category                   | Proteine/Peptide                                                                                                |
| Molecular Weight           | Approximately 14.3 kDa, a single, non-glycosylated polypeptide chain containing 128 amino acids.                |
| Purity                     | > 97 % by SDS-PAGE and HPLC analyses.Endotoxin: Less than 1 EU/µg of rHuTECK/CCL25 as determined by LAL method. |
