## Product Datasheet

### Human MDA5/IFIH1 Recombinant Protein, N-Strep Tag PTG-PX-P6627

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| Article Name               | Human MDA5/IFIH1 Recombinant Protein, N-Strep Tag                               |
| Biozol Catalog Number      | PTG-PX-P6627                                                                    |
| Supplier Catalog Number    | PX-P6627                                                                        |
| Alternative Catalog Number | PTG-PX-P6627                                                                    |
| Manufacturer               | ProteoGenix                                                                     |
| Category                   | Proteine/Peptide                                                                |
| Species Reactivity         | Human                                                                           |
| Molecular Weight           | 103.25 kDa                                                                      |
| Tag                        | N-Terminal Strep Tag                                                            |
| UniProt                    | <a href="#">Q9BYX4</a>                                                          |
| Buffer                     | Lyophilized from a solution in PBS pH 7.4, 1mM EDTA, 4% Trehalose, 1% Mannitol. |
| Expression System          | Eukaryotic expression                                                           |
| Target                     | MDA5/IFIH1                                                                      |
