| Article Name               | InVivoMAb anti-mouse CD27, Clone: [RM27-3E5], Rat, Monoclonal                        |
| Biozol Catalog Number      | BXC-BE0348                                                                           |
| Supplier Catalog Number    | BE0348                                                                               |
| Alternative Catalog Number | BXC-BE0348-1MG,BXC-BE0348-5MG,BXC-BE0348-25MG,BXC-BE0348-50MG,BXC-BE0348-100MG       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Rat                                                                                  |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | Mouse CD27-human IgG1 Fc fusion protein                                              |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                            |
| Clone Designation          | [RM27-3E5]                                                                           |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/29126798 target=_blank rel=nofollow>29126798 |
| Buffer                     | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |
| Form                       | Liquid                                                                               |

|                   |                                                                                             |
|-------------------|---------------------------------------------------------------------------------------------|
| Formula           | PBS, pH 7.0, Contains no stabilizers or preservatives                                       |
| Target            | CD27                                                                                        |
| Application Notes | in vivo CD27 stimulation, in vitro CD27 stimulation,<br>Immunoprecipitation, Flow cytometry |
