| Article Name               | FlowMAb PE anti-mouse CD326 (EpCAM), Clone: [G8.8], Rat, Monoclonal                  |
| Biozol Catalog Number      | BXC-FM0346-PE-025MCG                                                                 |
| Supplier Catalog Number    | FM0346-PE-025mcg                                                                     |
| Alternative Catalog Number | BXC-FM0346-PE-025MCG-25UG                                                            |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Rat                                                                                  |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | TE-71 murine thymic epithelial cells                                                 |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                           |
| Clone Designation          | [G8.8]                                                                               |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/32984356 target=_blank rel=nofollow>32984356 |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Target                     | CD326                                                                                |

|                   |                                                                                 |
|-------------------|---------------------------------------------------------------------------------|
| Application Notes | Immunohistochemistry (frozen), Immunofluorescence, Flow cytometry, Western blot |
|-------------------|---------------------------------------------------------------------------------|
