| Alternative Catalog Number | BXC-SIM0023-100MG,BXC-SIM0023-1MG,BXC-SIM0023-25MG,BXC-SIM0023-50MG,BXC-SIM0023-5MG                   |
| Manufacturer               | Bio X Cell                                                                                            |
| Host                       | Human                                                                                                 |
| Category                   | Antikörper                                                                                            |
| Species Reactivity         | Human                                                                                                 |
| Immunogen                  | Human IL-4Ralpha                                                                                      |
| Clonality                  | Monoclonal                                                                                            |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                                             |
| Clone Designation          | [Dupilumab]                                                                                           |
| Molecular Weight           | 150 kDa                                                                                               |
| Buffer                     | PBS, pH 7.0, Contains no stabilizers or preservatives                                                 |
| Purity                     | 95% , Determined by SDS-PAGE                                                                          |
| Form                       | Liquid                                                                                                |

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Formula           | PBS, pH 7.0, Contains no stabilizers or preservatives |
| Target            | IL-4Ralpha                                            |
| Application Notes | Functional assays,                                    |
