## Product Datasheet

### **InVivoSIM anti-human CD3 x GPRC5D (Talquetamab Biosimilar), Clone: [Talquetamab], Human, Monoclonal BXC-SIM0069**

|                            |                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------|
| Article Name               | InVivoSIM anti-human CD3 x GPRC5D (Talquetamab Biosimilar), Clone: [Talquetamab], Human, Monoclonal |
| Biozol Catalog Number      | BXC-SIM0069                                                                                         |
| Supplier Catalog Number    | SIM0069                                                                                             |
| Alternative Catalog Number | BXC-SIM0069-1MG,BXC-SIM0069-5MG,BXC-SIM0069-25MG,BXC-SIM0069-50MG,BXC-SIM0069-100MG                 |
| Manufacturer               | Bio X Cell                                                                                          |
| Host                       | Human                                                                                               |
| Category                   | Antikörper                                                                                          |
| Species Reactivity         | Human                                                                                               |
| Clonality                  | Monoclonal                                                                                          |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                                           |
| Clone Designation          | [Talquetamab]                                                                                       |
| Molecular Weight           | 150 kDa                                                                                             |
| Purity                     | 95% , Determined by SDS-PAGE                                                                        |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                               |
| Target                     | CD3 X GPRC5D                                                                                        |
| Application Notes          | Functional assays, Flow cytometry, ELISA, Immunohistochemistry                                      |
