## Product Datasheet

### **InVivoMAb anti-Phosphotyrosine, IgG2b, Clone: [4G10], Mouse, Monoclonal BXC-BE0194-INDUSTRIAL**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-Phosphotyrosine, IgG2b, Clone: [4G10], Mouse, Monoclonal              |
| Biozol Catalog Number      | BXC-BE0194-INDUSTRIAL                                                                |
| Supplier Catalog Number    | BE0194                                                                               |
| Alternative Catalog Number | BXC-BE0194-1MG,BXC-BE0194-5MG,BXC-BE0194-25MG,BXC-BE0194-50MG,BXC-BE0194-100MG       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Mouse                                                                                |
| Category                   | Antikörper                                                                           |
| Immunogen                  | Phosphotyramine-KLH                                                                  |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                            |
| Clone Designation          | [4G10]                                                                               |
| Molecular Weight           | 150 kDa                                                                              |
| Isotype                    | IgG2b                                                                                |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/26237552 target=_blank rel=nofollow>26237552 |
| Buffer                     | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Form              | Liquid                                                |
| Formula           | PBS, pH 7.0, Contains no stabilizers or preservatives |
| Target            | Phosphotyrosine                                       |
| Application Notes | ELISA, Western blot                                   |
