| Article Name               | InVivoMAb polyclonal llama IgG, Clone: [Polyclonal], Camelus                   |
| Biozol Catalog Number      | BXC-BE0369-INDUSTRIAL                                                          |
| Supplier Catalog Number    | BE0369                                                                         |
| Alternative Catalog Number | BXC-BE0369-1MG,BXC-BE0369-5MG,BXC-BE0369-25MG,BXC-BE0369-50MG,BXC-BE0369-100MG |
| Manufacturer               | Bio X Cell                                                                     |
| Host                       | Camelus                                                                        |
| Category                   | Antikörper                                                                     |
| Clonality                  | Polyclonal                                                                     |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                      |
| Clone Designation          | [Polyclonal]                                                                   |
| Molecular Weight           | 90-100 kDa (heavy chain-only antibodies) 150 kDa (complete IgG)                |
| Buffer                     | PBS, pH 7.0, Contains no stabilizers or preservatives                          |
| Purity                     | 95% , Determined by SDS-PAGE                                                   |
| Form                       | Liquid                                                                         |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                          |
