## Product Datasheet

### **InVivoMAb anti-human MUC16, Clone: [VK8], Human, Monoclonal BXC-BE0391-INDUSTRIAL**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-human MUC16, Clone: [VK8], Human, Monoclonal                          |
| Biozol Catalog Number      | BXC-BE0391-INDUSTRIAL                                                                |
| Supplier Catalog Number    | BE0391                                                                               |
| Alternative Catalog Number | BXC-BE0391-1MG,BXC-BE0391-5MG,BXC-BE0391-25MG,BXC-BE0391-50MG,BXC-BE0391-100MG       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Human                                                                                |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Human                                                                                |
| Immunogen                  | Human ovarian cancer cell line OVCAR-3                                               |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                            |
| Clone Designation          | [VK8]                                                                                |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/30626487 target=_blank rel=nofollow>30626487 |
| Buffer                     | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |
| Form                       | Liquid                                                                               |

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Formula           | PBS, pH 7.0, Contains no stabilizers or preservatives |
| Target            | MUC16                                                 |
| Application Notes | Flow cytometry, Western blot                          |
