## Product Datasheet

### InVivoMAb anti-rat CD28, Clone: [JJ316], Mouse, Monoclonal BXC-BE0418-INDUSTRIAL

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-rat CD28, Clone: [JJ316], Mouse, Monoclonal                           |
| Biozol Catalog Number      | BXC-BE0418-INDUSTRIAL                                                                |
| Supplier Catalog Number    | BE0418                                                                               |
| Alternative Catalog Number | BXC-BE0418-1MG,BXC-BE0418-5MG,BXC-BE0418-25MG,BXC-BE0418-50MG,BXC-BE0418-100MG       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Mouse                                                                                |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Rat                                                                                  |
| Immunogen                  | Rat CD28-transfected BALB/c mouse A20J cell line                                     |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                            |
| Clone Designation          | [JJ316]                                                                              |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/16395758 target=_blank rel=nofollow>16395758 |
| Buffer                     | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |
| Form                       | Liquid                                                                               |

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Formula           | PBS, pH 7.0, Contains no stabilizers or preservatives |
| Target            | CD28                                                  |
| Application Notes | in vivo T cell stimulation/activation                 |
