## Product Datasheet

### **FlowMAb PE human IgG2 isotype control, anti-hen egg lysozyme, Clone: [N/A-CP180], Human, Monoclonal BXC-FMC180-PE-025MCG-INDUSTRIAL**

|                            |                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------|
| Article Name               | FlowMAb PE human IgG2 isotype control, anti-hen egg lysozyme, Clone: [N/A-CP180], Human, Monoclonal |
| Biozol Catalog Number      | BXC-FMC180-PE-025MCG-INDUSTRIAL                                                                     |
| Supplier Catalog Number    | FMC180-PE-025mcg                                                                                    |
| Alternative Catalog Number | BXC-FMC180-PE-025MCG-25UG                                                                           |
| Manufacturer               | Bio X Cell                                                                                          |
| Host                       | Human                                                                                               |
| Category                   | Antikörper                                                                                          |
| Clonality                  | Monoclonal                                                                                          |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                          |
| Clone Designation          | [N/A-CP180]                                                                                         |
| Molecular Weight           | 150 kDa                                                                                             |
| Purity                     | 95% , Determined by SDS-PAGE                                                                        |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                               |
| Target                     | HEL                                                                                                 |
