| Article Name               | InVivoSIM anti-human nectin-4 (Enfortumab Biosimilar), Clone:<br>[Enfortumab], Human, Monoclonal |
| Biozol Catalog Number      | BXC-SIM0031-INDUSTRIAL                                                                           |
| Supplier Catalog Number    | SIM0031                                                                                          |
| Alternative Catalog Number | BXC-SIM0031-1MG,BXC-SIM0031-5MG,BXC-SIM0031-25MG,BXC-SIM0031-50MG,BXC-SIM0031-100MG              |
| Manufacturer               | Bio X Cell                                                                                       |
| Host                       | Human                                                                                            |
| Category                   | Antikörper                                                                                       |
| Species Reactivity         | Human                                                                                            |
| Immunogen                  | Human nectin-4                                                                                   |
| Clonality                  | Monoclonal                                                                                       |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                                        |
| Clone Designation          | [Enfortumab]                                                                                     |
| Molecular Weight           | 150 kDa                                                                                          |
| Purity                     | 95% , Determined by SDS-PAGE                                                                     |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                            |
| Target                     | nectin-4                                                                                         |

|                   |                                        |
|-------------------|----------------------------------------|
| Application Notes | Functional assays, ELISA, Western blot |
|-------------------|----------------------------------------|
