| Alternative Catalog Number | MCE-HY-W754427-50MG                                                                                 |
| Manufacturer               | MedchemExpress                                                                                      |
| Category                   | Biochemikalien                                                                                      |
| Product Description        | N-Nitroso rac bendroflumethiazide-d5 is the deuterium labeled N-Nitroso rac bendroflumethiazide.... |
| Molecular Weight           | 455.44                                                                                              |
| Formula                    | C15H8D5F3N4O5S2                                                                                     |
| Target                     | Isotope-Labeled Compounds                                                                           |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                                                         |
