| Article Name               | Anti-Lambda Light Chain Antibody, Mouse                                                                     |
| Biozol Catalog Number      | RAY-188-11036-1                                                                                             |
| Supplier Catalog Number    | 188-11036-1                                                                                                 |
| Alternative Catalog Number | RAY-188-11036-1                                                                                             |
| Manufacturer               | RayBiotech                                                                                                  |
| Host                       | Mouse                                                                                                       |
| Category                   | Antikörper                                                                                                  |
| Species Reactivity         | Human                                                                                                       |
| Immunogen                  | Purified human lambda light chain was used as the immunogen for this Lambda Light Chain antibody.           |
| Product Description        | Mouse anti-Human Lambda Light Chain Antibody...                                                             |
| Concentration              | 0.2 mg/ml in 1X PBS with 0.1 mg/ml BSA (US sourced) and 0.05% sodium azide                                  |
| NCBI                       | <a href="#">3535</a>                                                                                        |
| UniProt                    | <a href="#">P01701</a>                                                                                      |
| Purity                     | Protein G affinity chromatography                                                                           |
| Application Notes          | Flow Cytometry: 0.5-1ug/million cells in 0.1ml Immunohistochemistry (FFPE): 0.5-1ug/ml for 30 minutes at RT |
